DISCOVERY

Discovery is a year round program for youth and adults with disabilities. The goal of this program is to engage our participants with developmental disabilities in daily activities and experiences that encourage, social, emotional, physical and mental growth through recreation.

Discovery runs at a 1:4 ratio. The staff is able to assist with ADL's and provide the care that a second family would provide.

Discovery participants have the opportunity to join clubs outside of all the fun they have throughout the day at RecPlex. These clubs include: sensory club, social club, cooking club, community integration club, fitness club, craft club, as well as Zumba and Yoga.

TREKKERS

This unique summer camp is open to youth that are easily 'bored' in a traditional summer camp program. The Trekker program also offers a Friday night sports club throughout the year. The goal of this program is to aid youth in socialization and integrating them with their mainstream peers.

Staffed at a 1:6 ratio youth are engaged while learning to play with others

Trekkers runs like a typical summer camp with lots of activities including; ice-skating, swimming, gym time, crafts, Zumba, field trips, and much more!

RESPITE

Respite is a break for the caregiver as well as the participant. Respite is offered every Saturday (with some exceptions) from 9:00am until 6:00pm. Registration must be completed no later than the Wednesday before to guarantee staff.

Staff is provided at a 1:3 ratio to help participants play games, go the park, head to the pool or beach, create art projects and much more.

ZUMBA – CHAIR YOGA

Our gentle chair yoga and fun active Zumba classes are led by a RecPlex fitness instructor. Discovery participants may join Zumba OR Yoga for free! Trekkers get to enjoy Zumba once a week in the summer. These classes are open to the public as well!

SWIM LESSONS

Our adaptive swim lessons teach water safety while working on basics in the water. Our pool is a great escape and a fun place to learn new skills!

Staffed at a 1:1 ratio, our swim instructors will create a personalized plan to get your participant comfortable in the water.

SLED HOCKEY

This is a fun sport for people with or without a physical disability. Sled Hockey is similar to Hockey but you sit in a sled and use sticks that have picks at the end or get pushed to get around the ice. This is open to people who are able to push themselves in the sled as well as those who need to be pushed.

Our Junior Sled Hockey team is for ages 12-17. Our Senior Sled Hockey team is for ages 18 and up. Both teams include an 8-week program that runs January 11th through March 1st

ICE-SKATING LESSONS

Whether you need a bucket to help you skate or are ready to jump through the air our 1:1 private ice-skating lessons will either get you comfortable on the ice or improve your skills.
