Officials, team managers and players are respectfully requested to do their full share in maintaining proper conduct on the field. The use of any intoxicant on Village property will subject the offender to suspension and possible arrest. The use of profane language is expressly forbidden. Game officials are instructed to order any player from the game who violates this rule, and to report the name of the offender to the Recreation Department for proper action. Any player ejected from the game by an official may be suspended for the next 2 scheduled league games or longer depending on the severity of the actions.
