

Dear Families,

Greetings to all and Happy Holidays! I trust each of you have had a joyous Christmas season.

Classroom Changes

Baby U- Jessica Beene will be joining us in the afternoons as a Lead teacher in the Baby U building. Welcome Jessica! Ramey will be returning to school and we will truly miss her and what she brought to our team!

Toddler Room- Miss. Sally is back from maternity leave and will be joining us as a morning Lead teacher in the Toddler room. Sally has proven to be an exceptional teacher in the Goldfish classroom with Miss. Kristy and we are excited to have her. Kelly Henry will be joining us as Lead teacher in the afternoons and Sarah will be returning to her babies in the Baby U building. ☺

Program Changes

Miss. Erin has been promoted to Preschool U Supervisor. Erin will be assisting Miss. Melissa in the office in the afternoons but will stop by the classroom often for hugs and kisses. Congratulations Erin!

In the event that you missed the fall open house, I want all families to be aware that Spring Break will not be an optional week for Preschool U/Baby U this year. County, Illinois and KUSD schools each have Spring Break scheduled differently making it extremely difficult to accommodate families and still maintain a strong business.

- Registration for fall 2012-13 begins Thursday, March 1st for current students. Online options will not be activated. Guest Services will have our current program list and will be happy to assist you. If you are returning and your paperwork remains the same, it is not necessary to complete the entire enrollment packet again. The only documentation that I will need for organization purposes is the actual registration form. This will tell me the option of care you are choosing for the 2012-2013 school year. Open Registration will be made available to the public Saturday, March 17th.
- Scholastic Book Orders are due Thursday, January 13th.
- Waddlers/Toddlers, Please keep in mind that we will continue to go outside weather permitting. Snow pants, coat, boots, and mittens are needed for optimal fun! If your child does not have snow pants or boots, you can send in extra pants and shoes. We will be happy to change them into dry, warm clothes when we come inside. You may leave extra play clothes and outerwear in your child's cubby if it is easier for you.
- I would like to mention how important it is to check your child's folder every day. This is our main source of communication with you.

We would like to wish three very special children a Happy Birthday...

In the Crawler room Reid will be 1 on the 2nd.

In the Toddler room Claire will be 2 on the 25th and Gianna turns 2 on the 27th.

It is truly a joy to watch your children grow. Thank you for giving us the opportunity to care for them.
