Competition Program Prep
August 14-16
1:15-3:30pm

For Skaters: Who are competing

About

This camp is designed to help skaters understand and properly prepare for competition standards and expectations. Camp day will be structured to include on-ice movements, expressive exercises as well as full program run throughs and feedback. The goal of this camp is to give skaters a better understanding of what judges look for during competition and what standards can be better put in place.
